

# OMONIYI PRAISE

Lagos, Nigeria

+234-907-726-5216 | [praiseoluwashetemi@gmail.com](mailto:praiseoluwashetemi@gmail.com) | [Portfolio](#)

## PROFESSIONAL SUMMARY

Results-driven Marketing & Communications Specialist with 4+ years of experience across fintech, banking, and tech, proven by driving 4 million app migrations in 3 months, 4.8 million POS transactions from a single campaign, and a 90% surge in platform traffic.

Specializing in full-cycle, integrated campaign management that combines digital and traditional channels, brand storytelling, and audience growth across social media, content, email, SEO, influencer, and paid media. Known for translating complex fintech products and financial concepts into clear, accessible language for everyday customers and stakeholders. A deliberate transition from Building Technology into marketing communications, sharpened by hands-on experience with AI tools and prompt engineering, brings a uniquely analytical and creative edge to every campaign.

## WORK EXPERIENCE

### Wema Bank

Lagos, Nigeria

#### Marketing & Communications Specialist (Full-time)

October 2022 – Present

- Spearheaded the launch of the rebuilt ALAT app, *ALAT: The Evolution* (2026), driving 4M customer migrations and 1M new users within 3 months.
- Owned the ALAT and Wema anniversary campaigns (*Sounds of ALAT*, *ALAT Alumni*), driving 4.8M+ POS transactions and record alat.ng traffic (90% increase).
- Planned the integrated Hackaholics 2024 campaign, generating 3.4M+ POS transactions, a 90% traffic surge, and national reach across geo-political zones.
- Led the internal comms strategy (2023) behind Wema Bank's Great Place to Work award and Best Place to Work in Nigeria recognition.
- Executed the *Money Adventure* School Tour across 6 schools, reaching 1,000+ students through financial-literacy activations and content.

### Simfy

Lagos, Nigeria

#### Marketing & Communications Specialist (Remote)

September 2024 – July 2025

- Planned and executed multi-channel integrated campaigns (social media, email, partnerships, in-app engagement) and targeted Meta ad campaigns that drove a 30% increase in active users, 3x higher engagement, and a 25% lift in conversions through continuous campaign optimization.
- Managed partnership and influencer marketing initiatives, delivering 20% more referral traffic through joint promotions and co-branded content, while monitoring and reporting on performance to sustain steady KPI growth.
- Simplified complex crypto and digital-banking concepts into accessible push notifications, newsletters, blogs, and

website content that improved click-through rates by 35% and increased user retention.

- Owned social media content calendars and SEO-aligned blog articles and landing pages, growing followers by 40%, improving average engagement by 50%, and generating a 15% lift in organic traffic within three months.

**Ivy Arc**

**United Kingdom**

**Content writer**

**January 2022 – December 2023**

- Produced SEO-optimised blog and social media content aligned with the company's tech brand identity, driving consistent audience engagement across platforms.
- Developed and executed employer branding initiatives that strengthened the company's positioning as an employer of choice in the global tech space.

**Teksight Media Agency**

**Lagos, Nigeria**

**Content writer (Intern)**

**February 2022 – October 2022**

- Managed influencer marketing campaigns for major phone brands including TECNO, Infinix, and vivo, securing high-profile ambassador signings such as Fireboy and Tiwa Savage.
- Led phone launch announcements and wrote product reviews from a tech perspective, breaking down device features and specs into clear, engaging content for everyday readers.
- Authored blog posts and feature articles for brand blogs, including coverage of the client's BBNaija sponsorship after attending the show's premiere.
